

**Directions to Histotech
Biology Department
University of York**

Histotech is located within the Biology Department at the University of York.

Directions

By train

York is on the main East Coast Line from London King's Cross to Edinburgh. Fast trains leave from both north and south at frequent intervals. There is also a direct service across the Pennines between York, Leeds and Manchester Airport. The University is two miles from the railway station and you will need to get a bus or taxi onto campus. The Number 4 fr bus travels from the railway station to Heslington Hall via University Road approx every 10 minutes. The scheduled journey time is 20 minutes. A journey by taxi from the railway station to the University will take approximately 15 minutes. There is a taxi rank just outside the Station.

By air

The nearest airport is Leeds Bradford Airport. You can take a bus or taxi from the airport to Leeds train station then a train to York.

By car

The easiest route to the University is to take the outer ring road (A64 on the south and east sides of the city, A1237 around the north and west) to the junction with the Hull/Bridlington roads (A1079/A166). Turn off at the exit marked University and follow the signs past Grimston Bar and down Field Lane to University Road. This route avoids the City centre and known traffic blackspots. See map on the next page.

Car parking

Please do not park in staff (permit holders only) car parks, even if spaces are free, as this is very likely to incur a fine. Pay and display car parking is available at the following locations: Car park North (behind the library), car park Central (near Vanbrugh college), car park West (between James college and Goodricke college), car park South (Off Goodricke Way) and car park G (Between Wentworth college and Biology). See map on the next page.

The map shows the University of York campus with various buildings and parking areas. Key locations include:

- Department of Biology** (central area)
- Car Park North** (top right)
- Car Park West** (bottom left)
- Car Park South** (bottom right)
- From York City Centre** (top left)
- From A19 Fulford** (bottom left)
- A1079 from ring road** (right side)
- Cycle Path to Biology Reception** (dashed line)

The map also shows various buildings like the **Department of Biology**, **Car Park North**, **Car Park West**, and **Car Park South**. It includes a scale bar and a north arrow.
