

Yorkshire Durham Geometry Day

Friday 15 April, 2005

Department of Mathematics, University of York

12.00 Gather in Goodricke College SCR, before:

12.30 Lunch *Kasbah, Wentworth College*

1.30 **John Rawnsley** (Warwick) *Room G045, Goodricke College*

“Homomorphisms of star products”

2.40 **Udo Hertrich-Jeromin** (Bath) *Room G045, Goodricke College*

“Discrete constant mean curvature surfaces: how to define them?”

3.45 Tea Break *Room G109, Goodricke College*

4.30 **Mike Field** (Houston) *Room G045, Goodricke College*

“Geometry, symmetry and dynamics”

There will be an early evening meal in York, for all who are able to stay.

For further details of this Geometry Day see:
