Friend to numerous small people and true companion to us all.

But is it art?

This is just one of the pictures exhibited by Andrew Monk on Flickr. Andrew recently graduated from the York City Council evening class "iPad Art". Critics are divided. "Clearly cheating" commented Ruth Monk (no relation) "he does not even have a paint brush".

Sunshine in Wales

Seen here enjoying the sunshine in Fishguard, Pembrokeshire: Sarah Richard, Tom, Ruth, Laura and Deah. (Sunshine - in Wales - must be some mistake. Ed.)

Spotted in St Florent Corsica

Jet setters Paul, Ruth and Helen seen here enjoying the balcony of a luxury villa in Corsica. At the time, Ray was otherwise engaged.

Hostess takes it all in her stride

Joan Hodgkins hosted a gathering of 14 Monks and Hodgkins this Easter. "There seems to be more of them every year!" said Joan.
